

The Frog Prince

There was once an evil fairy who turned a prince into a frog .

The fairy placed the frog into a well.

One day a beautiful princess was playing near the well with her golden ball.

The ball fell into the well with a splash!

The princess pleaded with the frog to return her ball.

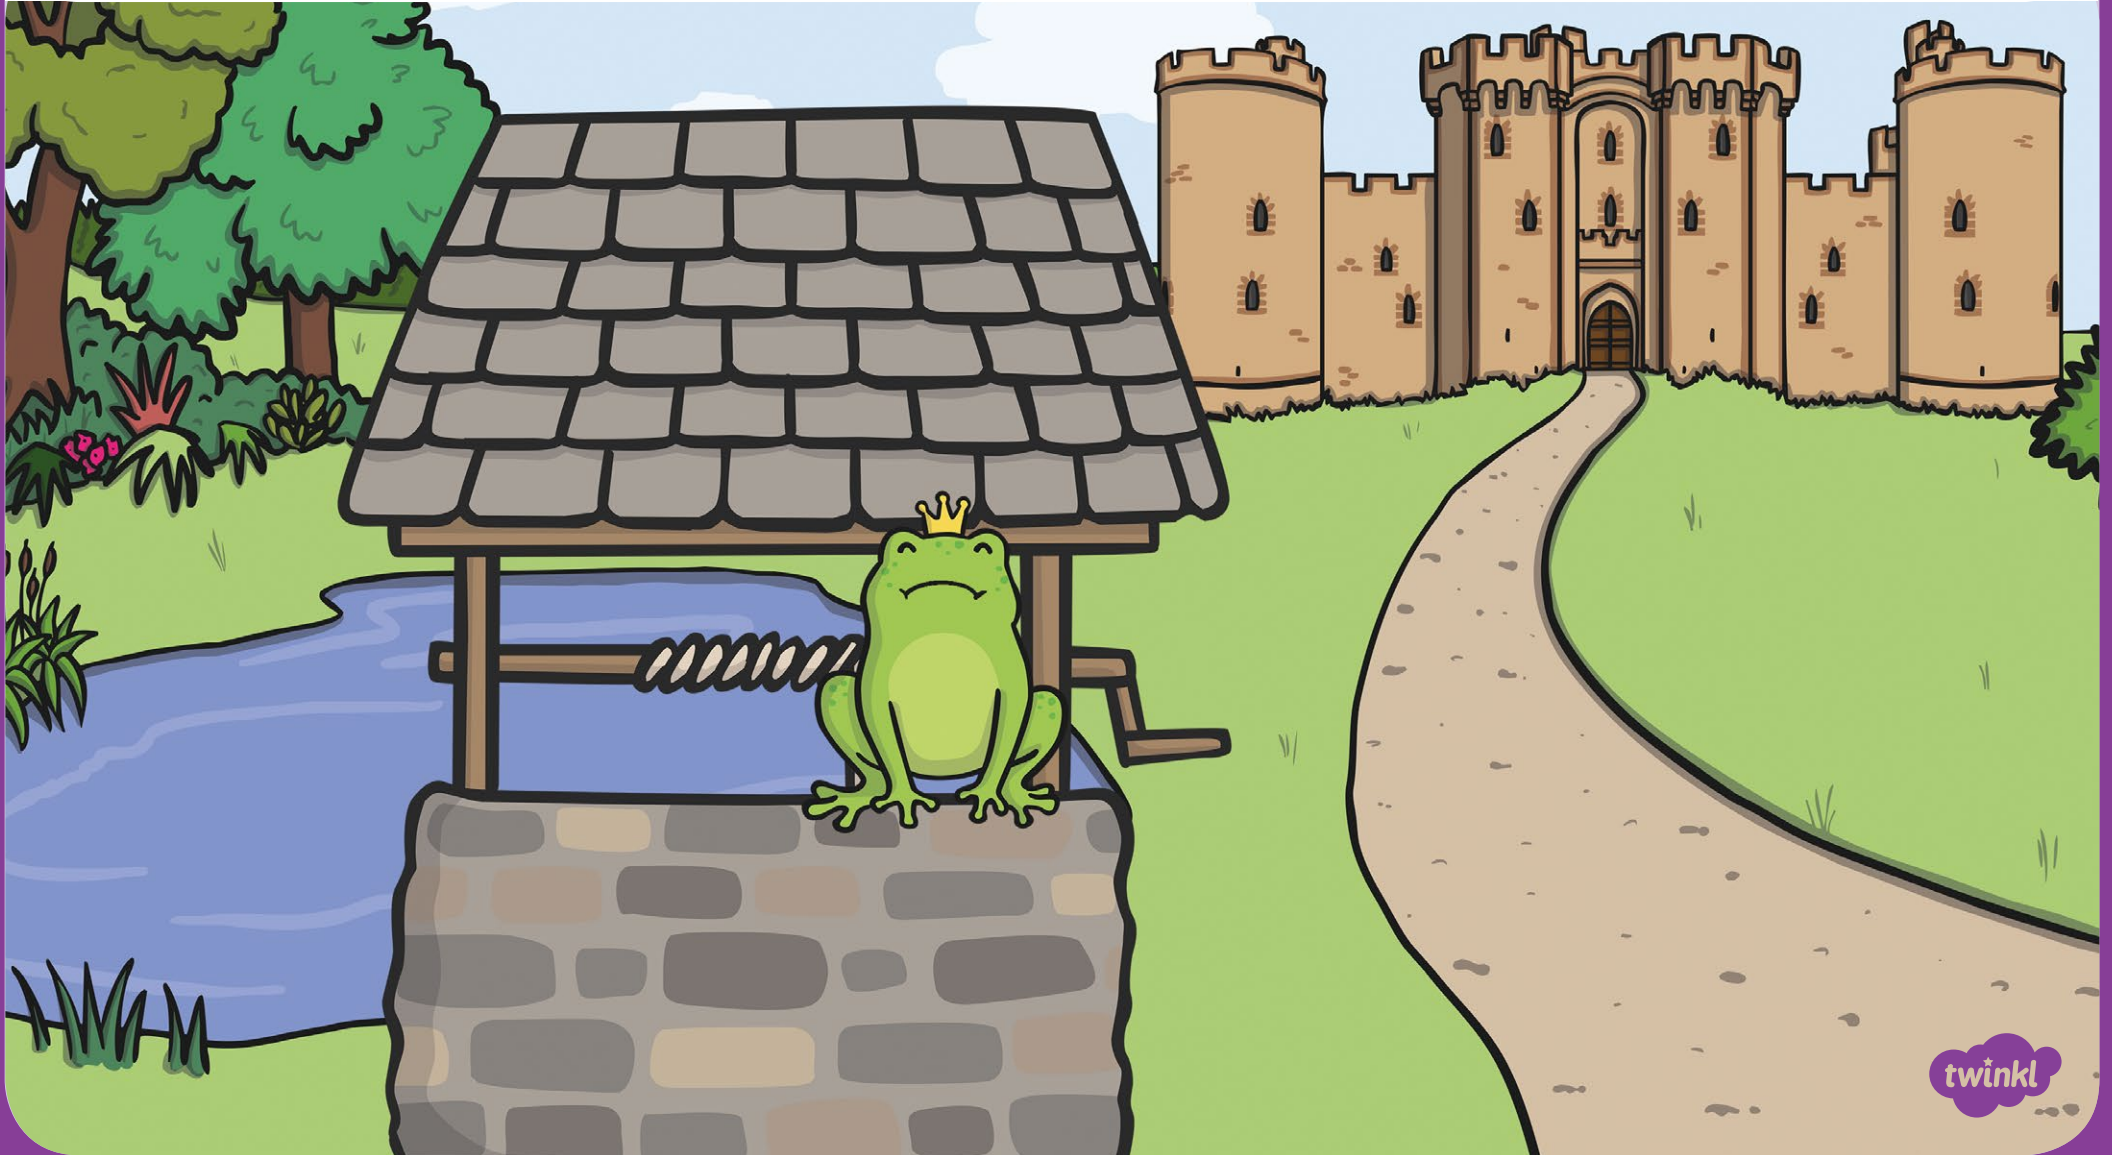

If you return my ball
I will love you, let
you eat from plate
and sleep on my bed.

The frog fetched the ball for the princess.

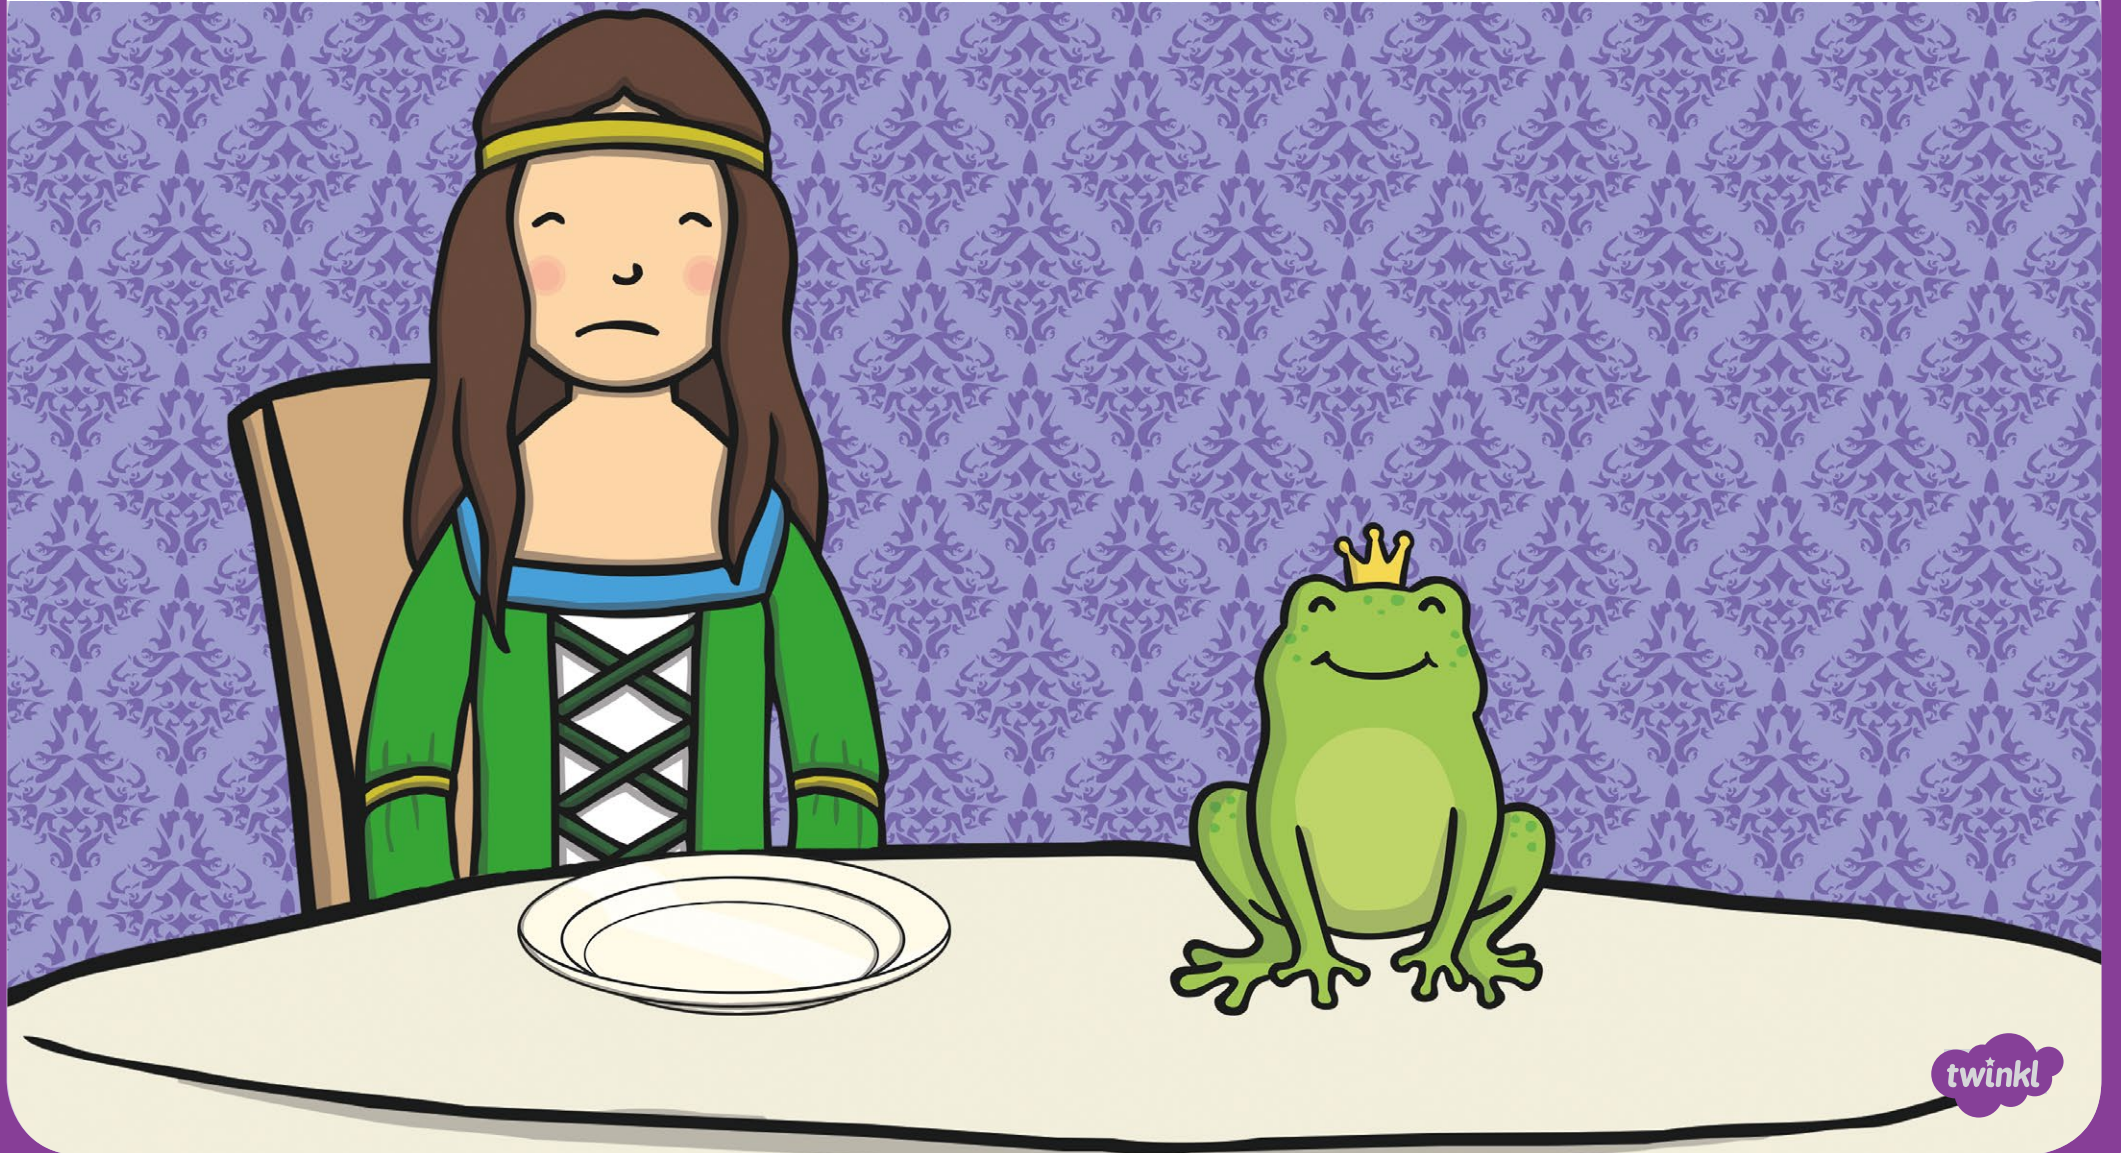

The princess took the ball and ran back to the palace without the frog.

The princess told her father what had happened. He warned her to keep the promises she had made.

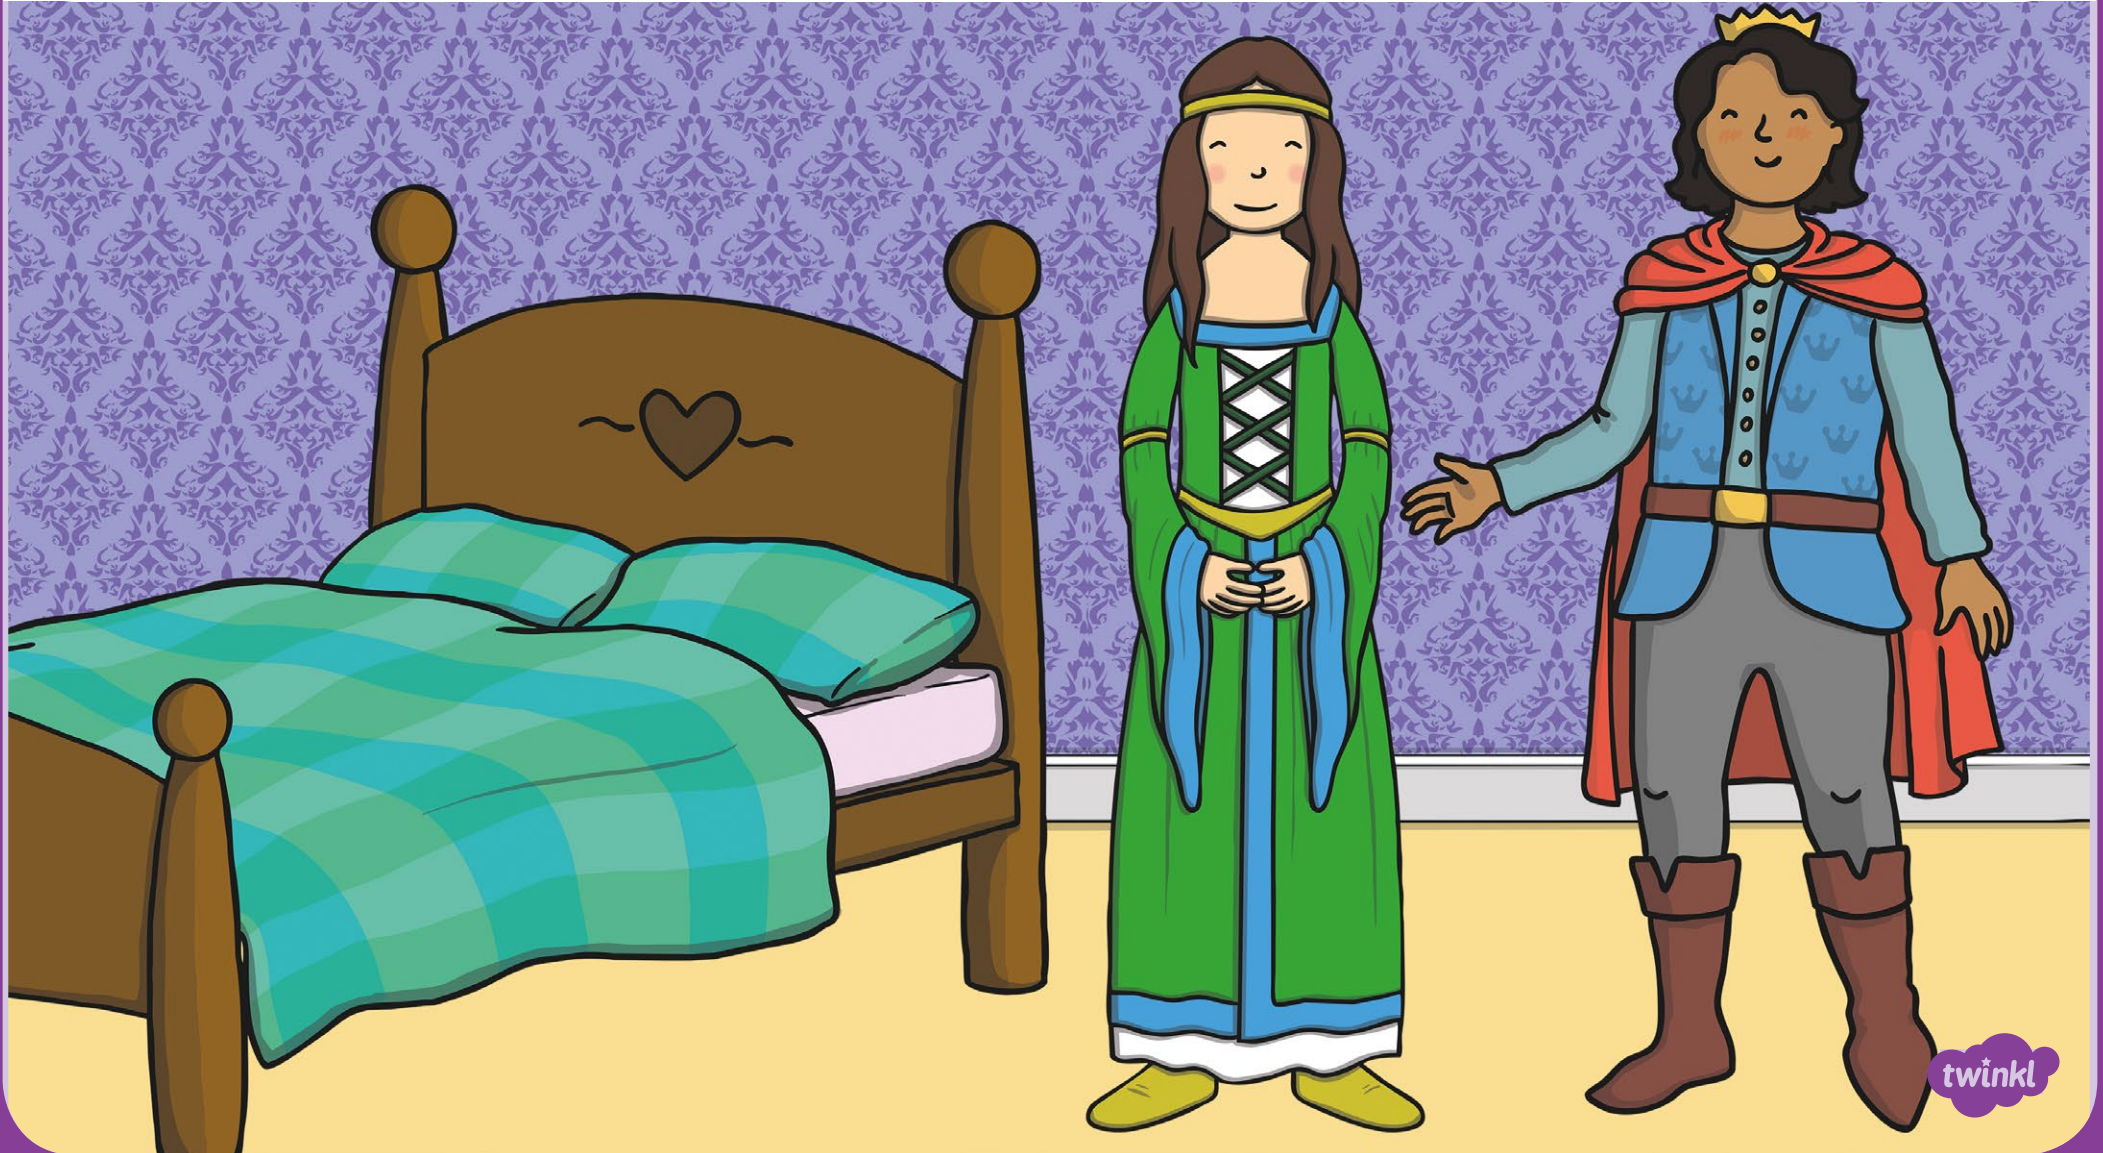

So the princess let the frog eat from her plate...

...and sleep on her bed!

After the third night, the princess awoke to find a handsome prince standing there!

The prince and princess were married and Lived
happily ever after!
