

# Greenhouse Growth

I can observe how plants grow inside and outside of my greenhouse.

I can use a ruler to measure the height of plants.

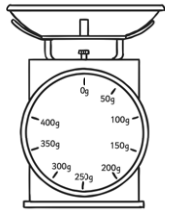

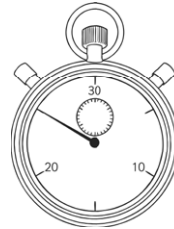

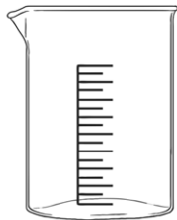

Which plant do you think will grow taller and faster? Underline your answer.

Plant inside the greenhouse

Plant outside the greenhouse

Circle the equipment you will use to measure how tall your plant is.

## Finding Out

Length of time taken for shoot to first appear

Plant in greenhouse

\_\_\_\_\_ days

Plant outside greenhouse

\_\_\_\_\_ days

Date	Plant	Height
