

Home Learning: Class 4: Week Commencing 4th January

Hi everybody!

I hope you have all had a lovely Christmas. I'm really going to miss seeing you to catch up on all the details! I've set out the tasks you'll need to complete below. Please do get in contact with me on the Google Classroom "Stream" if you have any questions, and I'll do my best to help! Once you have completed the tasks, add your docs to the file, then 'turn in' your completed work, just like you have been doing for your homework tasks this past term.

English:

Task	J
1. Find 'The Gift Planning Frame' and 'The Gift writing' documents. Your task is to write a description of your favourite Christmas gift, Begin by thinking of your gift, and completing the planning frame worksheet. Once you have completed your plan, create a new Google Doc and give it the Title of 'The Gift'. Remember to also include the date and your name at the start of your writing. Then write your description, using the ideas from your planning sheet. Try to give as much detail as possible. You must write at least 5 sentences. Record your writing using a Google doc, and then 'turn in' with your completed homework tasks. Don't forget to include your name, date and title 'The Gift' on your Google Doc.	
2. Task A: Find the 'Edward VI' document, Read this description of a portrait of the young king. The author uses passive voice and expanded noun phrases to give us lots of formal detail. (You can look at the next pages for handy hints!) Write down all the examples you can find of expanded noun phrases and passive voice, using your neatest handwriting. Task B: What impression do you get of Edward VI from this portrait? Write 3 sentences to explain what you think, giving reasons for your views. Record on Google Docs (as Task 1).	
3. Find the 'Rectangles Thing template' and the 'Passive Voice and Expanded Noun Phrases' documents. Using the information on the slides, complete your own 'Rectangles thing'. If you can't print, you can create your own version on a blank piece of paper. Look at the slides on passive voice and expanded noun phrases. Now write your own phrases using passive voice and expanded noun phrases, based on the portrait of Elizabeth I. Add these to your 'Rectangles thing' sheet, around the outside, in the 'vocabulary and examples' section.	
4. Read your book every day! Find the 'Reading Activities' sheet. Choose one activity to complete about the reading you have done each day.
