

Terracycle Update:

Our Terracycle Recycling scheme is really gathering momentum! As you can see from the pictures below, our Eco Rangers have been kept very busy collecting all the recyclable bakery waste! We're also really pleased that there is now a second collection point at St John the Baptist Church in Witheridge, where members of the community are able to add their bakery waste to contribute to our scheme (see photo below).

We have gained a massive 380 units so far, and are well on our way to earning our first monetary points which we can donate to a charity of our choice. Thank you for all your support so far, and don't forget, you can send your bakery waste in to school with your child for collection on any school day.

Free Recycling Programme	Units Collected
The Warburtons Bakery Recycling Programme	380

ACCEPTED WASTE

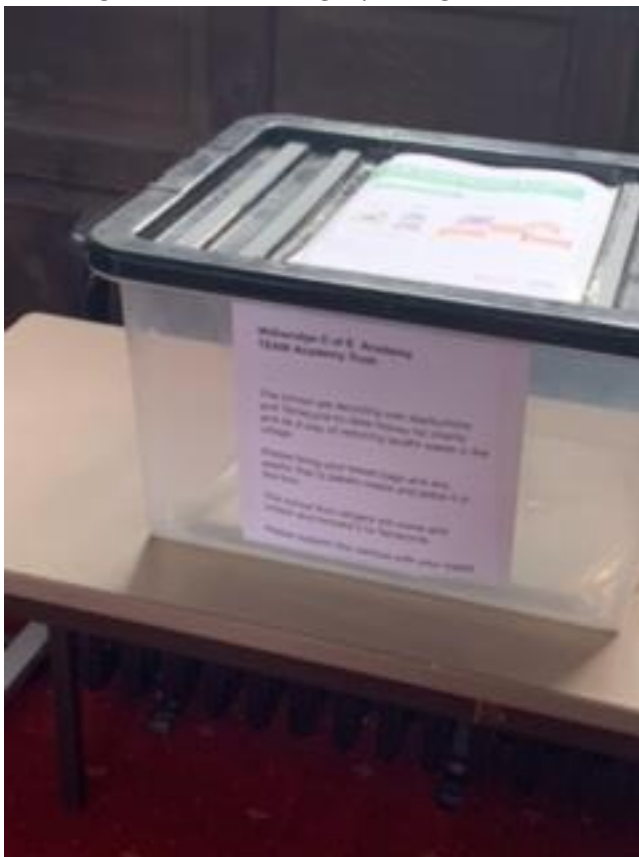

Waste that is NOT accepted:

- Paper bags
- Combined paper and film window bags
- Wax wrap

Eco Rangers, Zac and George, packing our latest collection of bakery waste.

The community recycling box in the church.
