

Beanbag boccia

The aim of the game is to throw a beanbag towards a target with the closest team winning points.

Equipment

- target (a space marker, quoit or coloured beanbag)
- two sets of beanbags (four in one colour and four in a different colour)
- cone

Method

- 1 Get into two teams of two, with each team taking a set of four beanbags.
- 2 Place the cone on the floor and line up behind it.
- 3 Choose someone to throw the target.
- 4 Take it in turns to throw a beanbag towards the target.
- 5 When all the beanbags have been thrown, the team closest to the target scores two points.
- 6 Play the game four more times.
- 7 At the end of the fifth game, tally up the points. The team with the most points wins.

Target toss

The aim of the game is to reach targets with beanbags and accumulate as many points as possible.

Equipment

- four hula hoops
- four beanbags (each a different colour)
- chalk
- whiteboard and pen

Method

- 1 Get into groups of four.
- 2 Draw a chalk line on the ground.
- 3 On one side of the chalk line, position the hoops as targets so that they are an increasing distance from the line.
- 4 With the chalk, number the hoops 1–4 with number one being closest to the line and number four being furthest away.
- 5 Line up behind the chalk line.
- 6 Take it in turns to throw a beanbag, aiming for one of the targets. Record the score on the whiteboard.
- 7 Once everyone has had a turn, repeat until everyone has had three turns.
- 8 Add up each person's points. The person with the highest score wins..
